Luftwaffe is a stunning pictorial record of the Third Reich's air arm from its establishment in the 1930s to its war service between 1939 and 1945. With 400 black and white and coloured photographs together with drawings and paintings, the book tells the full, dramatic story of the German Air Force during the Second World War.

Pictorial history of Sunbury. Part 2 : incorporating

Pictorialism is the name given to an international style and aesthetic movement that dominated photography during the later 19th and early 20th centuries. There is no standard definition of the term, but in general it refers to a style in which the photographer has somehow manipulated what would otherwise be a straightforward photograph as a means of "creating" an image rather than simply ...
