Free An Organic Architecture The Architecture Of Democracy PDF

Can architecture be democratic? Most people would readily agree that the built environment is bound to be political. Yet in the popular imagination the combination of "architecture" and "politics" tends to conjure up distinctly undemocratic figures: totalitarian leaders designing monumental edifices and avenues for eternity.

Modern Architecture The Architecture Of Democracy

Architecture or Revolution? "Architecture ou R volution," wrote Le Corbusier in 1922. "It is the question of building which lies at the root of the social unrest of today; architecture or revolution."1 Le Corbusier, in common with many architects of the Modern Movement, was convinced of the social role of architecture.
