Name the drive whatever you want in the Volume label . Click on OK and wait for the drive to be formatted.. Once the drive has been successfully formatted to NTFS, you will be able to successfully copy/move as many files as you want to it without ever being met with the "Are you sure you want to copy this file without its properties?" popup.

Fix: Are You Sure You Want to Copy This File Without its

Are you sure you want to do this? I had to ask myself this question again today, because, truth be told, publishing this book might be a bad decision. It might be a mistake for me to put this much of myself "all my emotions" out in the open, naked and exposed: objects at which the public can point and sneer.
