About us - Ocorian

This handbook explores the different roles of ethics and compliance practitioners in promoting ethical conduct in organisations, and analyses benefits and drawbacks of the two approaches to understand whether it is more effective for organisations to have two separate functions dealing with ethics and compliance respectively.

Business Ethics Publications

Organizational resilience is defined as "the ability of a system to withstand changes in its environment and still function". It is a capability that involves organizations either being able to endure the environmental changes without having to permanently adapt, or the organization is forced to adapt a new way of working that better suits the new environmental conditions.

Resilience (organizational) - Wikipedia

How to Write Reports for the Board of Trustees & Other

Flexible learning - Study full time, part time or via distance learning. Savings - Get a world class university qualification at only RM40.000. Flexi Payment Modes - Instalment schemes and 0% interest installment payment plans are available.

The University of London - LLB - Law Programme

An investment bank is a financial services company or corporate division that engages in advisory-based financial transactions on behalf of individuals, corporations, and governments. Traditionally associated with corporate finance, such a bank might assist in raising financial capital by underwriting or acting as the client's agent in the issuance of securities.
