A Project Manager's Book of Forms: A Companion to the

Project management is the practice of initiating, planning, executing, controlling, and closing the work of a team to achieve specific goals and meet specific success criteria at the specified time. A project is a temporary endeavor designed to produce a unique product, service or result with a defined beginning and end (usually time-constrained, and often constrained by funding or staffing ...

Best Book Summary + PDF: The Lean Startup, by Eric Ries

A recommendation letter for graduate school is a written endorsement of a graduate school candidate that is submitted with the application. Recommendations should be written by professional or academic contacts who really know the applicant and can offer a credible perspective. The letter should be brief and positive, and it should use specific examples when possible.
