Here is an updated and more comprehensive sample of the new book renderer. The layout changed quite a from the first version presented at Wikimania. Thanks for all the feedback. The export still has a number of significant issues: page breaks, infoboxes, tables, and math formulas need to be improved substantially.

An Excellent Alternative to Adobe Reader. PDF-XChange has some very nice features not found in Adobe Reader, but where it matters it follows the familiar shortcuts and layout of the established market leader. It is very customisable too, so if you donâ€™t like the defaults, many things can be modified.

Exploration is the act of searching for the purpose of discovery of information or resources. Exploration occurs in all non-sessile animal species, including humans. In human history, its most dramatic rise was during the Age of Discovery when European explorers sailed and charted much of the rest of the world for a variety of reasons. Since then, major explorations after the Age of Discovery ...
