The Sociological Imagination is a 1959 book by American sociologist C. Wright Mills published by Oxford University Press. In it, he develops the idea of sociological imagination, the means by which the relation between self and society can be understood. Mills felt that the central task for sociology and sociologists was to find (and articulate) the connections between the particular social ...

Imagination is the ability to produce images, ideas and sensations in the mind without any immediate input of the senses (such as seeing or hearing). It is also described as the forming of experiences in the mind, which can be recreations of past experiences such as vivid memories with imagined changes or that they are completely invented. Imagination helps make knowledge applicable in solving ...
