Immanuel Kant (1724-1804) is the central figure in modern philosophy. He synthesized early modern rationalism and empiricism, set the terms for much of nineteenth and twentieth century philosophy, and continues to exercise a significant influence today in metaphysics, epistemology, ethics, political philosophy, aesthetics, and other fields.

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in
performance.. The term dramatic literature implies a contradiction in that literature originally meant something
written and drama meant something performed. Most of the problems, and much of the interest, in the study
of dramatic literature stem from this contradiction.
