Revitalising Indigenous Languages. - Intro Page

Native languages are in drastic decline. Yet even as more Native American children come to school speaking English, they are likely to be stigmatised as 'limited English proficient' and placed in remedial programmes. This situation has motivated bold new approaches to Indigenous schooling that emphasise immersion in the heritage language.

Revitalising Indigenous Languages in Homogenising Times

The role of technology in revitalizing indigenous languages. The final section in this volume is on the uses of technology in indigenous language revitalization efforts. There has been telling criticism of "technofixes" for endangered languages. Hilaire Paul Valiquette writes that, Computers are the most questionable of language teaching tools.
