Creationism and Science: The Continuing War

Download Intelligent Design and/or Scientific Creationism PDF Although we have published a number of articles dealing with the "Intelligent Design" movement, we at ICR continue to get numerous inquiriesâ€”both from Christians and from the secular mediaâ€”as to ICR's exact position relative to the ID movement.

Intelligent Design and/or Scientific Creationism | The

Many in the secular world see creationism as a religious belief as opposed to one of the only two origin explanations. They see science as supporting evolution and only religion supporting creationism. One reason they have that view is that the definition of science has been changed within the last century.
