The Scope of This Website: These pages have been designed as a guide for the DIY homeowner who faces home electrical problems, that is, electric malfunction issues in his/her household electrical wiring system. The site is not mainly oriented to helping with design, installation, or with remodel projects. Some books are better at wiring projects than most websites.

Trade Secrets - Troubleshooting Home Electrical Problems

Classified information is material that a government body deems to be sensitive information that must be protected. Access is restricted by law or regulation to particular groups of people with the necessary security clearance and need to know, and intentionally mishandling of the material can incur criminal penalties. A formal security clearance is required to view or handle classified ...
