List of high schools in New York City - Wikipedia

Education in New York City is provided by a vast number of public and private institutions. New York City is home to some of the most important libraries, universities, and research centers in the world. In 2006, New York had the most post-graduate life sciences degrees awarded annually in the United States, 40,000 licensed physicians, and 127 Nobel laureates with roots in local institutions.
