

social capital 138 success pdf

Social capital. The notion of social capital is a useful way of entering into debates about civil society and is central to the arguments of Robert Putnam and others who want to reclaim public life.

infed.org | Social capital

Social capital broadly refers to those factors of effectively functioning social groups that include such things as interpersonal relationships, a shared sense of identity, a shared understanding, shared norms, shared values, trust, cooperation, and reciprocity. However, the many views of this complex subject make a single definition difficult. The term generally refers to (a) resources, and ...

Social capital - Wikipedia

Corporate social responsibility (CSR, also called corporate sustainability, sustainable business, corporate conscience, corporate citizenship, conscious capitalism, or responsible business) is a type of international private business self-regulation. While once it was possible to describe CSR as an internal organisational policy or a corporate ethic strategy, that time has passed as various ...
