Social responsibility is an ethical framework and suggests that an entity, be it an organization or individual, has an obligation to act for the benefit of society at large [citation needed]. Social responsibility is a duty every individual has to perform so as to maintain a balance between the economy and the ecosystems.

China's one-child policy was part of a birth planning program designed to control the size of its population. Distinct from the family planning policies of most other countries (which focus on providing contraceptive options to help women have the number of children they want), it set a limit on the number of children parents could have, the world's most extreme example of population planning.

One-child policy - Wikipedia

Although his march failed, Coxey's Army was a harbinger of an issue that would rise to prominence as unemployment insurance would become a key element in the future Social Security Act.
