In Chinese art, the Four Gentlemen, also called the Four Noble Ones, are four plants: the plum blossom, the orchid, the bamboo, and the chrysanthemum. The term compares the four plants to Confucianist junzi, or "gentlemen". They are most typically depicted in traditional ink and wash painting and they belong to the category of bird-and-flower painting in Chinese art.

The plants arrived carefully wrapped and labeled, but as another reviewer mentioned, they all look exactly the same with the exception their size(s) (not colored as pictured), so being "new" to air plants, I don't know whether they will eventually change color(s) or if the ones pictured were manually painted/manipulated.
