In modern clothing and fashion design, a button is a small fastener, now most commonly made of plastic, but also frequently made of metal, wood or seashell, which secures two pieces of fabric together. In archaeology, a button can be a significant artifact. In the applied arts and in craft, a button can be an example of folk art, studio craft, or even a miniature work of art.

Secret Windows: Essays and Fiction on the Craft of Writing is a collection of short stories, essays, speeches, and book excerpts by Stephen King, published in 2000. It was marketed by Book-of-the-Month Club as a companion to King's On Writing. Although its title is derived from a King novella (Secret Window, Secret Garden), it is not otherwise related to that novella or the film adaptation ...
