Writing with power means getting power over words and readers; writing clearly and correctly; writing what is true or real or interesting; and writing persuasively or making some kind of contact with your readers so that they actually experience your meaning or vision.

### **Writing with Power - Techniques for Mastering the Writing**

Writing With Power is a moderately interesting grab bag of suggestions and tips to approach the process of writing. Elbow makes an effort to engage with all modes of writing, so everyone is going to find something interesting in the book; at the same time, there's going to be material in the book that is completely irrelevant.
