How can you be focused if you are staring at your iPad? The point for many in writing with a stylus is to allow
you to forget about the technology and to just take notes. And this is how both versions of MyScript excel, it
does not run its text conversion until after you are done writing your notes! There are no fancy options with
MyScript Memo. First, the app forces to you write in portrait mode, kind of like writing on a piece of paper.
