If we're talking about creating "good, unique content" and are hoping for it to rank in competitive SERPs, we're not setting the right bar. In today's Whiteboard Friday, Rand shows us what we should be going for instead.

Why Good Unique Content Needs to Die - Whiteboard Friday

5. Summary: Elaborate usability tests are a waste of resources. The best results come from testing no more than 5 users and running as many small tests as you can afford. Some people think that usability is very costly and complex and that user tests should be reserved for the rare web design project with a huge budget and a lavish time schedule.
