There was so much about YOU BEFORE ANYONE ELSE that I loved. The characters, the storyline and even the backdrop for this story were perfect. But what I loved most about this book were Finley and Eddie. Their unmistakable draw to each other. The uncanny way they knew when the other needed them, even when they were trying to stay away.

After the plot twist, Eddie's decisions especially get a bit questionable. Other than these negatives, the YOU BEFORE ANYONE ELSE has a great plot and character development. I would recommend this book to older or more mature teens, around 16-18 years of age. This is because the book has mentions of very adult problems and sexual references.
