Add a permissions password in order to be able to change the security settings in the future. Think of this as a "master" password that grants you, or another trusted user, the ability to change security settings, edit the PDF, or do anything else that has been restricted to other users.

### **Use security permissions to protect PDF files in Adobe**

To remove restrictions on a restricted PDF, open the file in Acrobat, click "File" and select "Save as Copy." Save a copy of the file in the appropriate location; the copy does not contain restrictions and does not have Adobe Reader extended rights.
