Sylvia Plath was one of the most dynamic and admired poets of the 20th century. By the time she took her life at the age of 30, Plath already had a following in the literary community.

Daddy by Sylvia Plath | Poetry Foundation

the other day I heard one of my colleague referring to another colleague "that poor bastard is stuck there". I was surprised to hear that. But when he was saying the bastard word, the person he was referring to wasn't present because we were looking at him through the window and he was busy shovelling his car out of snow.

the use of the word "Bastard" - English Language & Usage

Patton's Speech to the Third Army was a series of speeches given by General George S. Patton to troops of the United States Third Army in 1944, prior to the Allied invasion of France. The speeches were intended to motivate the inexperienced Third Army for its pending combat duty.
